

## *From the City of Greensboro Unified Development Ordinance:*

### ARTICLE II: SECTION 30-2-2, DEFINITIONS

#### 30-2-2.12 Streets and Drives

**COLLECTOR STREET (3).** A street whose principal function is to carry traffic between cul-de-sac, local, and subcollector streets and streets of higher classification but which may also provide direct access to abutting properties. (A number in parentheses indicates the street's classification, with "1" being the highest and "8" being the lowest, as listed in the table and illustrated by the diagram below):

#	Street Classification
1	Major Thoroughfare Street
2	Minor Thoroughfare Street
3	Collector Street
4	Subcollector Street
5	Local Street
6	Cul-de-Sac Street
7	Private Street
8	Private Drive

STREET CLASSIFICATIONS

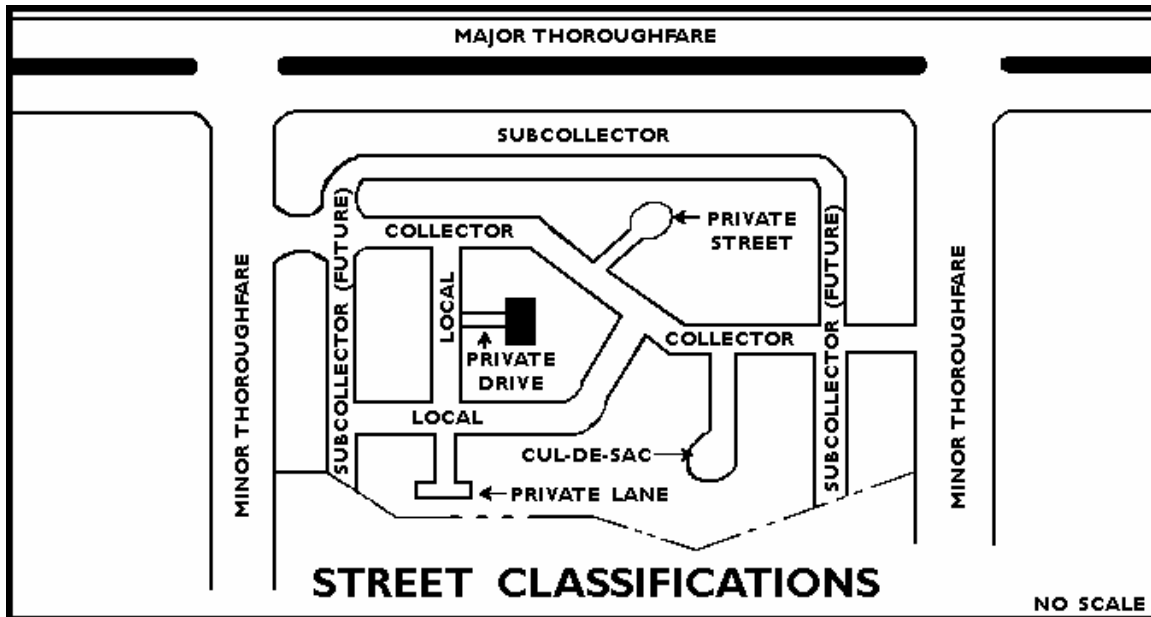

**COLLECTOR STREET PLAN.** A plan, adopted by the City Council, for streets not shown on the Thoroughfare Plan and showing collector and, if appropriate, lower classification streets in the planning area.

***From the Guilford County Development Ordinance:***

(also applicable within the towns of Oak Ridge, Pleasant Garden, Sedalia, Stokesdale, and Summerfield)

**ARTICLE II: SECTION 15-2, DEFINITIONS**

**COLLECTOR STREET.** A street whose principal function is to carry traffic between cul-de-sac, local, and subcollector streets, and streets of higher classification, but which may also provide direct access to abutting properties. (see Street Classification Chart below)

**COLLECTOR STREET PLAN.** A plan, adopted by the Governing Body, for streets not shown on the Thoroughfare Plan, showing collector and, if appropriate, lower classification streets in the planning area.
